

**Winter Project**  
**Grade11 –CHEMISTRY**  
**Worksheet Preparation**

**Type of the project:** To make questions.

**Reward:** Best questions will be included in their annual examination. Best projects will be uploaded in the school website in their name and class.

**Idea of execution:** Students have to submit the worksheets of the chapters (with answers) assigned to them in an A4 paper on January 5, 2022 to their Chemistry teacher. Avoid plagiarism.
