Notes:

Language Month: June is a great time to celebrate languages! It is World Language Month, an initiative to raise awareness about the importance of diverse languages in our society. During this month, people from all over the world come together to celebrate and promote multiculturalism and multilingualism. June 11th was designated UNESCO's World Language Day, which serves as an opportunity to honor and promote languages and to encourage linguistic diversity. It's a great time to learn a new language, share your own language with others, and appreciate the richness of the world through language.
