	Long Answer Question:	
12.	Our national flag is a horizontal, rectangular tricolor in which all the three stripes are equal in length and width. The saffron is at the top, white is in the middle and green is at the bottom. In the centre of the white stripe is a navy-blue wheel, with 24 spokes, known as the Dharma Chakra.	3
13.	We eat the eggs of hens and ducks. Birds help to spread the seeds of some plants. Bird droppings also make the soil rich. Thus, these are three ways in which birds are helpful to us.	3
