Short Question		
7	Prepare a short note on Nazi Worldview . (Hint: Nazi ideology was synonymous with Hitler's worldview).	3

Long Question		
8	<p>Imagine that you are living in 20th-century Britain. You have been recruited by the MI6 and given the code name '007'. One day you received a secret message from your head 'M'. You are sent to collect information from Nazi Germany. (Actually, you were waiting for this call). You reached Germany in 1932 and started your secret mission.</p> <p>You witnessed most of the things done by the Nazis to establish the Racial State. You could not engage in defeating the Nazis, for, you received the order 'do not engage'. Even then, you managed to save 100s of Jews from the Nazis, for, you are '007'.</p> <p>You collected enough data and returned to England in 1940. The data was stored in three different files and all of them were classified. Your data also helped England to win the World War 2. After a decade, the government decided to declassify 2 out of 3 files. One file will remain classified.</p> <p>MI6 has approached you again for a mission. It was to train the new cadets. You decided to take a session on Nazi Germany then you explained each of the files.</p> <p style="text-align: center;">FILE CODE – DESTRUCTION OF DEMOCRACY</p> <p>A. Explain the ways by which the Nazis destroyed democracy. Write any four points.</p> <p style="text-align: center;">FILE CODE – YOUTH IN NAZI GERMANY</p> <p>B. Discuss the ways by which the Nazis taught children Nazi Ideology. Write any six points.</p>	<p>2</p> <p>+</p> <p>3 = 5</p>
