Write if the statements are TRUE or FALSE

6. We need a house to keep us and our things safe.
7. Small houses built one on top of the other are called flats.
8. A tent is a house on a boat.

**1. True. 2. True. 3. False.**

C: Answer the following questions

9. Why are some houses built on stilts?

In places that get flooded easily during rains, houses are built on stilts. The stilts help keep the house above water level during the floods.

10. Name two places that can be moved from place to place

Ans . Two houses that can be moved from place to place are camper vans and houseboats.

**THE END**
