Grade 12
The Interview
Answer Key

Questions:

- **Q1. Other than celebrities, what do some people think about an interview?**
- **A1. Other than celebrities, mostly common persons think that an interview is the only and best source of truth. It, according to them, is an art.**
- **Q2. How can we say that Umberto Eco had a wide range of writing?**
- **A2. Umberto Eco had an expertise in semiotics and other than this he started to write fiction. Literary fiction, academic texts, essays, children's books, newspaper articles etc. So his versatility in writing can be easily understood.**
- **Q3. What made 'The Name of the Rose' a highly successful novel?**
- **A3. According to Umberto Eco, the most possible reason for the success of the novel was a mystery and actually nobody could predict the exact reason for it.**
- **Q4. What is Umberto Eco's theory of interstices?**
- **A4. Umberto Eco says that if we eliminate the empty spaces from the universe, then the universe would become as big as his fist. He stresses the importance of the empty spaces of time.**
