

## Chapter 11

### Worksheet

#### A. State true or false.

1. Anna Vasilyevna was initially nervous before teaching her first lesson in Form Savushkin was always punctual and never late for Anna Vasilyevna's class.
2. Anna Vasilyevna swapped lessons with the geography teacher because she found handling first lessons challenging.
3. Savushkin lived far away from the school and took a longer route through the woods to reach there.
4. Anna Vasilyevna discovered a newfound appreciation for nature and the wonders of the forest during her walk with Savushkin.

#### B. Fill in the blanks with the correct word.

1. Anna Vasilyevna had just finished college and now taught at the school in the village of \_\_\_\_\_.
2. When the bell sounded, the pupils rose, greeted Anna Vasilyevna together, and took their \_\_\_\_\_.
3. Savushkin was late to class again, and when he arrived, his face was cold-bitten and blazing like a \_\_\_\_\_.
4. During the lesson, the class brimmed over with joy as they named familiar objects such as "Cat," "Window," "Table," and "\_\_\_\_\_."
5. After lessons, Savushkin took Anna Vasilyevna on a path that wound along the edge of a \_\_\_\_\_, following its every twist and turn.
6. At the end of their walk, Anna Vasilyevna realized that the most wonderful thing about the wood was not the winter oak, but \_\_\_\_\_.
