

Class: 10	Chemistry	Worksheet	Date of issue : 0/0 7 / 2022
Topic :Acids and bases			
1	Which ion is responsible for solutions being acidic?		
2	What colour is phenolphthalein indicator in alkalis?		
3	What colour is phenolphthalein indicator in alkalis?		
4	What is the pH value of a neutral solution?
